

Alternative Minimum Tax

The “Other” Tax

An Educational Seminar

Presented by

- * The AMT was originally targeted at the “rich” taxpayers who were using various methods to defer or escape taxation.
- * As individual tax rates have dropped, many middle class taxpayers find themselves trapped in the AMT web.
- * This seminar is targeted to those already in AMT or those that have the potential to be in AMT in the near future. (**Adjusted gross income over \$150,000**)
- * There are many ways to minimize the AMT bite, come learn how to implement those strategies NOW and reduce your taxes in 2007 and for years to come!
